NOTICE OF PUBLIC HEARING

Notice is hereby given that Bona Vista Water Improvement District will hold a public hearing on April 11, 2022. The public hearing will be held at the District’s office located at 2020 West 1300 North, Farr West, Utah 84404, and will commence at 6:00 p.m.

Utah is currently under extreme drought conditions. Conservation efforts are occurring throughout the state to continue access to safe, reliable drinking water, wells, streams, and reservoirs. The purpose of this public hearing is to receive input as the Board of Trustees considers implementation of water conservation service fees and fines. The proposed fee are as follows:

Tier	Green 0% inc.	Tiers change to reflect mandatory usage reduction.	Yellow Severe 50% inc.	Orange Extreme 75% inc.	Red Exceptional 100%
0 - 7,000 gallons	\$ 0.75	0 - 6,000 gallons	\$ 1.13	\$ 1.31	\$ 1.50
7,001 - 15,000	\$ 1.39	6,001 - 14,000	\$ 2.09	\$ 2.43	\$ 2.78
15,001 - 20,000	\$ 2.05	14,001 - 19,000	\$ 3.08	\$ 3.59	\$ 4.10
20,001 and above	\$ 2.51	19,001 and above	\$ 3.77	\$ 4.39	\$ 5.02

** Classifications determined from:

Utah Division of Natural Resources / Water Resources

<https://water.utah.gov/water-data/drought/>

** Green Color Code includes classifications of none, abnormally dry and moderate drought.
